1989 March 19th, Co-Chairman Fixed Prosthodontics IADR & AADR meeting, San Francisco, California

Lectures and Courses Presented

-

- 2013 Feb. 22nd Impression For Delivery Of Complete Implant-Retained Restorations : Chicago Dental Society Meeting. Chicago IL
- 2012 Oct 18th One Appointment Impression Removable and OverDentures American Dental Association Meeting, San Francisco CA.
- 2012 Oct. 19th Implant overdentures simplified BAR Versus STUD. American Dental Association Meeting San Francisco CA.
- 2012 March 23rd “ Predictable implant over denture utilizing Zimmer implants And ERA attachment” presented at the International Implant Symposium at New York University School Of Dentistry.
- 2011 Nov. 27th “ predictable Impression Technique for Implant Overdenture” New York Dental Meeting Hands on Course.
- 2011 Feb. 25th “ Predictable Impression Technique for Implant Over Denture” The 146th Midwinter Meeting The Chicago Dental Society.
- 2011 Feb. 26th “ERA Implant Overdentyre Technique Hands On “ The 146th Midwinter Meeting The Chicago Dental Society.
- 2010 November 4th “ Basic Principles for Implant Restoration “ 17th Alexandria International Meeting Alex. Egypt.
- 2008 November 2nd “New technology in All Ceramic Restorations “ 16th Alexandria international Meeting Alex, Egypt.
- 2006 November, “All Ceramic Crowns and Bridges” Alexandria International Dental Congress, Alex, Egypt.

- 2004 October, Successful Crown and Bridge Preparation and Insertion.
21st Century Study Club, Concord, NH
- 2003 October, Applied Dental Materials in Clinical Practice.
American College of Forensic Examiners, Naples, FL
- 2001 October, Liability of Dental Materials
American College of Forensic Examiners at Bally's Hotel, Las Vegas, NV
- 2000 April 11, Treatment plan of partially edentulous patients.
Implant and Fixed Removable Prosthesis, New Hampshire Implant Study
Club in Concord, New Hampshire
- April 14, New Dental Materials and Dental Technology Review at Exeter
Study Club Exeter, New Hampshire
- 1999 Basic Principles for Implant Restoration, New Hampshire Implant
Study Club in Concord, New Hampshire
- October 30, Liability of Dental Materials, American College of Forensic
Examiners Annual meeting at Waldorf Hotel NYC, New York
- 1996 September 18, Crown and Bridge Update at Concord Dental Society
Concord, New Hampshire
- 1993 March 11, "Effect of fitting surface preparation on crown retention".
1994 International and American Association for Dental Research at San Antonio,
Texas
- 1992 October 14, "Conventional gold crown and Esthetic Dentistry".
International Dental Symposium in Cosmetic and Laser Dental Surgery in Jeddah,
Saudi Arabia.
- 1989 November 27-30 "Metal to ceramic and Partial Denture Techniques as per
the Bago System. King Abdulaziz University, Faculty of Dentistry.
- September 17, A new preparation Design the Ceramic Anterior Reverse
 $\frac{3}{4}$ Crown. Tufts University School of Dental Medicine at Boston, MA
- 1989 March 16, "Comparison of Bond Strength of Etched Porcelain and
Untreated Hi-Ceram Core". International and American Association

for Dental Research at San Francisco, CA

1987 September 21, Clinical Demonstration for Impression Technique. Dental Laboratory Technology Program at Rose State College
Oklahoma City, OK

April 23, Comparison between precious and non-precious metal for Porcelain fused to metal crown. Dental Laboratory Technology Program at Rose State College Oklahoma City, OK

1985 November 8, History of Egypt. Air force Friendship Club
Guthrie, OK
